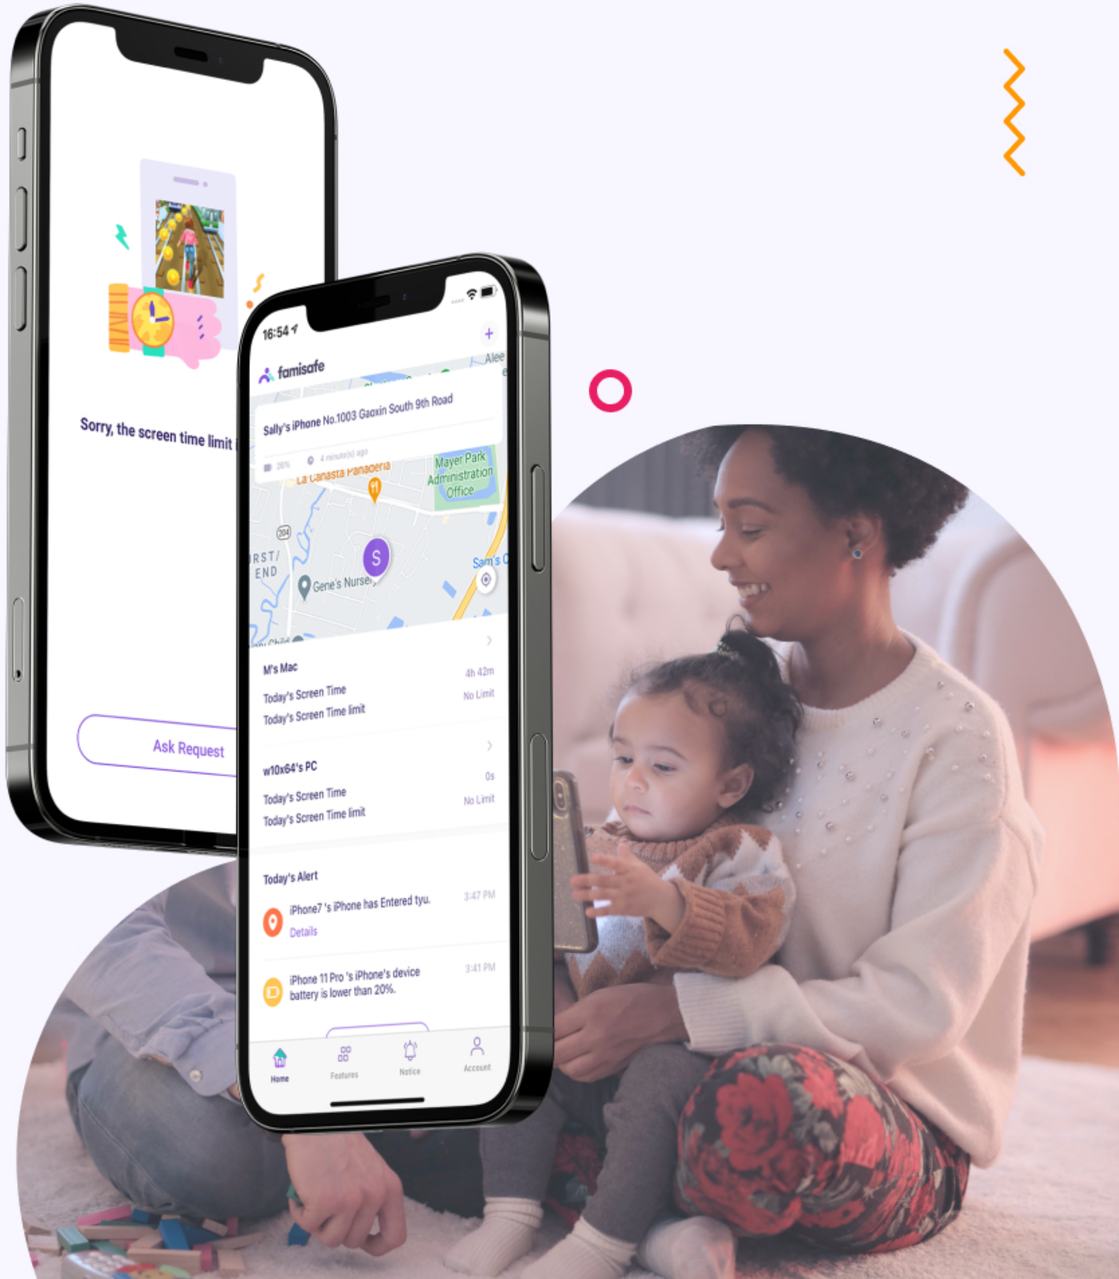
Wondershare Famisafe

The Most Reliable Parental Control App

Awarded By



Our Company

Meet Wondershare

Founded in 2003, Wondershare is a global leader in software development and a pioneer in the field of digital creativity. Our technology is powerful, and the solutions we provide are simple and convenient. That's why we're trusted by millions of people in over 150 countries worldwide. We help our users pursue their passions so that, together, we can build a more creative world.

Wondershare FamiSafe

Founded in 2018, Wondershare FamiSafe is a powerful parental control app designed to address the concerns of parents about the safety of their children online.

FamiSafe's mission is to keep kids safe online by giving parents the tools they need to help their kids cultivate good digital habits. We have protected over 5 million kids worldwide.

In partnership with parents in 2020:

10 thousand+ Porn and gambling sites filtered out.

20 thousand+ Adult, gambling, and game apps blocked.

5 million+ Potential cyberbullying, suicide, and predator-related texts detected.

Trusted by over 5 Million Parents

"This app gives parents peace of mind when it comes to their child's safety."

Elizabeth Taylor

★ ★ ★ ★ ★

I kept talking to my kids about not using a popular social media app during their bedtime or study time. But it never turned out to be fruitful. So, I used Famisafe's features to block those apps, and it has worked amazingly.

Cjackson7

★ ★ ★ ★ ★

One of the best safety apps. This app gives parents peace of mind when it comes to their child's safety. It comes with restrictions to ensure age-appropriate content. App ran smoothly,

Aunica Stirton

★ ★ ★ ★ ★

My son was having serious eye problems and the doctor told me that it might happen due to over exposure to phone screens. Now, I have set a smart schedule and my son can only use his tablet for few hours a day.

Rajesh Sherpa

★ ★ ★ ★ ★

There is nothing like FamiSafe! Easily accessible, user-friendly interface, so many features and real-time tracking. Couldn't have asked for more from an App to track kids phones and other devices.

"There is nothing like FamiSafe! Easily accessible, user-friendly interface."
